appreciative audience. At the morning service Sunday three prominent levinen of the church gave addresses king a historical line. These addresses were delivered by E. F. Greenan, W. B. Austin and Dr. B. J. Theips, all deacons, Deacons Greenan, W. B. Austin and Dr. B. J. Theips, all deacons, Deacons Greenan, W. B. Austin speke on Changes in Witer Transportation During the Past 256 Years and Dr. Phelps spoke on hanges in Medicine in the Past 256 Years, The three addresses, which were highly interesting and instruction as well were followed by a short talk by the pastor, Rev. Mr. Sailer, At the witer the beach Sunday.

Westerly motorists will find the state roads in fair or good condition with the exception of a few stretches that are now under construction. These places are either passable with corn may be avoided by marked detours. The points under construction are as follows:

Narragansett Pier Road — About three-quarters of a mile north of saunderstown extending south for one mile. Closed to traffic. Detour as marked, one mile long, very good dire and cinder road, but narrow. A stretch near Bonnet Point is under construction ing was addressed by Gustave Bochman of Hartford who spoke on the temperance question as it relates to the laborer.

ation discussed the following topics: 20 miles an hour. Detour three miles afters of the Past; Deacons of Past long.

Westerly's 250th anniversary and Welcome Home celebration to her soldiers and saliors who have seen service in the great world war, was formally opened Sunday, when historical services were held in the hitrohes of the town. This will be a notable week in the annals of Westerly, for the executive committee has been leased this season by Frank anotable week in the annals of Westerly, for the executive committee has branched an elaborate programme which will cover the entire week. Business houses, public buildings, stores and private residences are gaily decked out in the national colors in honor of the event. There is hardly a street in the town, that isn't decorated with the red, white and blue. The reveral banks hotels, the high school and town hall are especially attractive in their holiday bunting.

A GOOD HOME SERVICE UNIFORM

This is a very practical set, comprising an apron dress that is neat and simple, and will be found comfortable to work in and easy to develop. It has roomy pockets and a sleeve that may be finished in wrist or elbow length. The cap is a good protector for the head against dust and grime. Gingham, khaki, seersucker, drill and lawn are good materials for this style.

The pattern is cut in seven sizes: 24, 25, 38, 40, 42, 44 and 46 inches, bust measure. Size 38 requires \$ 1-8 yards of 36-inch material. Width at lower edge is about 2 1-3 yards.

A pattern of this fillustration mailed to any address on receipt of 10 cents in silver or stamps.

Order through The Bulletin Company Pattern Dept., Norwich, Conn. GOOD HOME SERVICE UNIFORM
